

Restricted Electronic Device
Surface Transportation Only

1 - Print this label in color. The hatched border must appear in red.
2 - Ensure the red border in the label is at least 100mm (3.9 in) wide by 100mm (3.9 in) high when printed. We have conveniently sized the label for you in this document, but please be sure to check as the actual printed size may vary depending on your printer or print settings.
3 - Add your phone number to the label in case additional information about the shipment is needed.
4 - Securely pack your item, but **DO NOT USE PRIORITY MAIL SHIPPING MATERIALS TO PACK YOUR ITEM.** It is your responsibility to ensure that your item is packed in accordance with applicable law.
5 - Attach the DOT label to the outside of your box on the same side as the shipping label. If you are reusing packaging (again, this must not be Priority Mail packaging), you must remove old labels and markings.

Important Notes:

Shipping lithium batteries on their own is prohibited. Lithium batteries must be installed in or packed with electronics items to be shipped.
